Katoomba is a place full of amazing musicians however is lacking a stage to hold events. A creative hub like Katoomba should have the backing of the government to nurture new artist. Please look at funding a stage/grounds to allow concerts, creatives to show their art. I feel Katoomba is neglected as a venue push by the government- yet is the grounds of many great Blue Mountains artists. Please consider Katoomba in future events, and please provide the locals with a venue to share their music.
