INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN NEW SOUTH WALES

Name: Ms Elizabeth Blackwood

Date received: 27 February 2018

My suggestions:

- Deductions on liquor licensing for venues who host a certain quote of live original music
- Funding allocated by percentage to music genres based on global popularity
- Legal protection for venues from noise complaints from new developments
- The creation of a music entertainment quarter with multiple venue sizes out in areas of farmland in the western suburbs
- Funding put into genre-specific government administrative collectives made of active performers to provide legal advice, business templates, marketing masterclasses etc.
- Banning or heavily taxing the use of pokies -Diversifying the programming of government funded radio
