To the Director,

Please find my comments on the Inquiry into the impact of WestConnex based on the Terms of Reference as follows.

I agree to my name being published.

(b) The cost of WestConnex project, including the size and reasons for overruns

Drastic waste of money because it will create bottlenecks around the city.

(j) Any other related matter

Lack of consideration of public transport infrastructure, including loss of local bus stops during construction of Westconnex and the Western Harbour Tunnel.
