

**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 10 May 2024

Partially
Confidential

To whom it concerns

Cannabis has helped me with my adhd, anxiety and depression. It helps me calm my overactive brain down, lower stress and have a better outlook on life and the world. I believe cannabis should be legalised on a recreational level and not just medicinal. I think cannabis should be treated like alcohol. You can go into shops/bars and buy some. There should be limits to how much you can have in your system while driving.

Thanks for your time
