**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Kim McMillan

Date Received: 30 June 2024

My name is Kim McMillan, I've been utilizing Cannabis medicinally for around 30yrs now, treating PTSD & Epilepsy SUCCESSFULLY... also sadly ILLEGALLY!?!

I cannot understand how this plant is freely available to grow within the A.C.T, but in Our State, We're forced to access it like rats, being judged as CRIMINALS just for trying to get MEDICATION to stay sane in this insane world?

PLEEEEEASE do what has to be done to change these crazy judgemental LAWS?
